When will I receive confirmation of my registration?

You will receive an email confirmation immediately once you complete your online registration.

Does a camper need a physical to attend camp?

No, but you will have to complete all medical and liability waivers prior to the completion of your registration.

Does a camper need to have health insurance to attend camp?

No, but all parents/guardians of the registered camper have to sign a waiver, releasing Calvin College and Calvin Sports Camps of all liability prior to the completion of your registration.

Is there a wait list for sold out camps?

You can register online and put your child on a wait list, should someone cancel. We will not guarantee that spots will open but will contact you in order of position on the waitlist.

Do you accept same day registrations?

It depends on the camp. If the coach allows it & has room, you will have to register online, on site & with a credit card. No exceptions.

What happens if there is inclement weather?

Each of our camps has the capability to use indoor facilities in the event of inclement weather. We will not participate outdoors in lightning or severe weather & will take all precautions during high heat indices. Swim lessons will do dry dock training in the event of lightning. Safe camps are our priority.

Does Calvin Athletics cancel any camp sessions?

Calvin Athletics reserves the right to cancel any camp at any time. If a camp cancellation occurs, notification and a full refund will be given, minus the registration fee.

My camper has food allergies. Who can I contact to discuss and coordinate his/her dining requests?

Email your camp director directly to discuss your needs for camps that provide food for their campers.

What should my camper bring to camp?

Your camper should always come dressed appropriately and comfortably to participate (shoes, swim suit, weather-appropriate clothing, etc.). We are not able to provide suits, goggles, nose plugs, cleats, shin guards, knee pads, lacrosse equipment, tennis racquets, or golf clubs. Soccer campers should either bring their own ball or purchase one from camp.

Overnight campers will be sent information from the camp director on what to pack at least one week prior to the start of camp. Sunscreen is always encouraged. There will be frequent water breaks but we encourage your camper to also bring a water bottle when possible.

Is lunch or are snacks provided?

Unless specifically noted, meals and snacks are not provided. If your camp breaks for lunch, please pack & a lunch. There will be frequent water breaks but we encourage your camper to also bring a water bottle when possible.

Can I request my roommate(s) for overnight camp?

Yes. When you register for an overnight camp, you will have an opportunity to input your roommate requests on the registration form. We do everything we can to try and accommodate all requests. Please ensure that the

roommate(s) you have requested are registered for camp. Campers without roommate requests will be grouped with similar age and gender campers. If you have any questions or issues, please email your camp director.

How many campers are in a room?

Each room has 2 single beds and shares a bathroom with an adjoining room. 4 campers can share a suite.

What is provided in the dorm room for my overnight camper?

Each bed will have a pillow, sheet, blanket, towel & soap that will be available for the week. You may want to send additional towels as needed. There will be one fan provided in each dorm room.

Will the dorms be air conditioned?

No, but one fan is provided in each room.

How are campers supervised in the dorms?

Coaches stay on each floor with the campers in their own private room. Campers are able to reach their coaches during the night when necessary.

Is transportation provided to the camps?

No. Families must provide their own transportation to and from camp each day. Please note that our softball camp is at our Gainey Athletic Facility on East Paris and golf camp is held at Stormy Creek Golf Course about 3 miles from campus.

For camp specific questions, please contact the camp director as noted for each sport.
